

Customer Request for Release of Valuation Liability

This is to confirm that _____ has read and understands the terms of All Cartage Transportation, Inc. Waybill and the Conditions of Carriage.

The customer reference above request All Cartage Transportation, Inc. to provide excess value coverage on all shipments when the customer's housebill indicates excess value is required. An additional excess value charge of \$0.60 per \$100.00 of declared value will be assessed by All Cartage Transportation, Inc. on all customer's housebills so stating excess value.

Excess Value Requested (Yes) ____ No additional Excess Value Requested (No) ____

In the event of a valid claim, and no excess value has been requested, we specifically agree to hold All Cartage Transportation, Inc. liable for only \$0.50 per pound or \$50.00 which ever is greater on the affected weight.

We understand that with respect to C.O.D. shipments the \$0.50 per pound will be limited to these shipments as well and these charges are solely to cover the additional service provided by All Cartage Transportation, Inc. and does not increase the liability of All Cartage Transportation, Inc. on the shipment.

If no other agreement is made prior to any shipment movement it is understood that the release value for carriage as set forth above shall apply on all shipments in the future.
